Dear Parents/Caregivers,

Student Reports
During this term, teachers have been regularly assessing your child’s progress in all key learning areas. Assessment takes a variety of forms: observation, work samples, quizzes, listening to students talk and student reflection on their learning.

On Wednesday, you will receive your child’s Semester 1 progress report. All schools in NSW now utilise PLAN (Literacy and Numeracy) to assess and inform teaching and learning data. We include PLAN data sheets with the reports for students in K-2. Teachers of students in Years 3-6 will use PLAN data in interviews.

A formal interview with your child’s teacher will give you a more detailed and comprehensive picture of their learning. Interviews will be held next week, mainly on Tuesday evening. More details will be sent home with the reports.

Child Safety Handbook
One of parents’ and schools’ main roles is to ensure the safety and protection of their children. NSW Police Legacy has provided a Child Safety Handbook which is being sent home with the eldest child in the family in Years 3-6 with this Informer. The handbook has a great deal of sensible advice. I encourage all families to read it.

IPEN: Ingleburn Professional Education Network
Professional learning is a continual, ongoing process in the life of every teacher. We are always striving to improve our teaching practice in order to increase student learning outcomes.

TERM 3

Monday 14th July – Teachers return  Tuesday 15th July Students return

High Quality Education for Future Success
To this end, schools in our Community of Schools group have been participating in a professional learning exchange this term. Teachers from The Grange have both demonstrated and observed a variety of lessons across all key learning areas. The learning of all students benefits from teachers participating in this process.

Afternoons
Thank you to all parents who are entering the school after 2.50 in the afternoons as requested and observing the No Parking rule in the car park.

Best wishes
Lynne Wilson
Principal

Jack and the Beanstalk

I really liked how much the music fitted in with what was happening on the stage. I also liked how the audience was part of the story. It was also interesting the difference between the original story and the play at the Art Centre. Patrick Colvin.

I just want to say thankyou to the people for inviting The Grange children to the Jack and the Beanstalk show. It was scary and funny at the same time. Madison Paratainga

3/4 J, 3/4D and a few students from 2/3A went on an excursion to see Jack and the Beanstalk. We went to the theatre at the Campbelltown Performing Arts Centre. At the end of the play the actors had a big box fight with the giant who lived at the top of the castle. The bit I liked the best was when Jack climbed the beanstalk and did a dance on the pole. By Sarrah Basher

On Thursday 5th of June years 3 and 4 went on an excursion to watch Jack and the Beanstalk. When we got there a man gave us some magic beans. He was dressed as an elf. Later on in the play Jack’s mum told the audience to throw their beans at her. I did not know what was going on at first, but I saw people throwing beans at her so I did too. Some of the people didn’t throw their beans. Unexpectedly a robot wolf or dog popped out from nowhere and scared everyone out of their SKINS! After that Jack’s mum got six volunteers to enter the giant’s house but I was not one of them. At the end a big ogre came and scared everyone out of their skins AGAIN! Just so expected right!!!!Well that’s my recount of the excursion. Dominic Haines
