Dear Parents,

**STUDENT REPORTS AND PARENT TEACHER INTERVIEWS**
Student reports sent home last week have provided you with a formal evaluation of your child’s progress at this stage.

As a follow up to written reports, parent teacher interviews will be held this week. If you are unable to attend, a phone interview with your child’s teacher is available.

Teachers value the time spent with parents where valuable information can be exchanged about your child.

**NAIDOC WEEK**
NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander people. NAIDOC Week is celebrated not only in indigenous communities, but by people in all walks of life.

The school is a current member of the Macquarie Fields Aboriginal Education Consultation Group (AECG) where we attend and contribute to regular meetings.

Our school has held different events last week and will be this week to celebrate NAIDOC week.

Last week, all classes participated in rotational reading where they went to a different class each day to experience a dreamtime story. An aboriginal performer entertained students in a performance called “Island Dreaming”.

This week, all classes as part of their regular sport time will participate in traditional indigenous games. After the holidays, our indigenous students will participate in special NAIDOC week celebrations at Ingleburn High School.

Attached to this Informer is a copy of the NAIDOC Week program of events organised by Campbelltown City Council.
School Holidays
This Friday marks the last day for Semester 1. Teachers return to school on Monday, July 13. All students will return on Tuesday, July 14.
